Requirements for Visitors to the MSB / C.A.R.E Construction Project

1. All visitor tours must be scheduled through the MSB / C.A.R.E project office (Suite 1500 MSB) in advance. Visitors must wear a visitor badge when on the construction site. Visitor badges shall be obtained from and returned to the MSB / C.A.R.E. project office at the end of each tour.

2. Visitors must be escorted by personnel who have received the MSB / C.A.R.E. construction safety orientation. Those people who have received safety orientation must have the green and purple safety sticker on their hard hat.

3. Visitors must wear hard hats, safety glasses, closed toed / hard soled work shoes, and appropriate attire when on the construction site.

Note: The MSB / C.A.R.E. construction project is closed to public tours.
