

J.C. Barnes
jc.barnes@uc.edu

Present Positions

Interim Director 2020-present
School of Criminal Justice
University of Cincinnati
Cincinnati, OH, USA

Professor 2020-present
School of Criminal Justice
University of Cincinnati
Cincinnati, OH, USA

Associated Investigator 2018-present
Dunedin Multidisciplinary Health and Development Study
Department of Psychology
University of Otago
Dunedin, New Zealand

Member (Gubernatorial Appointment) 2020-present
Ohio School Safety Working Group

Education

Ph.D., Florida State University 2010

B.S./M.A., University of South Carolina 2004/2006

Advanced Training

Advanced Course, International Workshop on Statistical Genetic
Methods for Human Complex Traits, University of Colorado, Boulder 2013/2015/2017

Introductory Course, International Workshop on Statistical Genetic
Methods for Human Complex Traits, University of Colorado, Boulder 2014

Research Concentrations

Applied statistical analysis
Biosocial criminology
Decision making
Developmental/life-course criminology
Socio-genomics

Publications

Books

Barnes, J.C., and Kevin M. Beaver. (In Progress). *Quantitative and behavioral genetics for social scientists*. New York: Oxford University Press (under contract).

Barnes, J.C., and David R. Forde (Eds.). (In Progress). *Encyclopedia of research methods and statistical techniques in criminology & criminal justice*. New York: Wiley Blackwell (under contract).

Posick, Chad, Michael Rocque, and J.C. Barnes. (In Progress). *Piecing together the crime puzzle: An invitation to biosocial criminology*. Temple University Press (under contract).

Beaver, Kevin M., J.C. Barnes, and Brian B. Boutwell (Eds.). (2015). *The nurture versus biosocial debate in criminology: On the origins of criminal behavior and criminality*. Thousand Oaks, CA: Sage.

Miller, J. Mitchell, Christopher Schreck, Richard Tewksbury, and J.C. Barnes. (2015). *Criminological theory: A brief introduction (4th Ed.)*. Boston: Prentice Hall.

Articles and Book Chapters (*denotes student co-author)

Barnes, J.C., Adrian Raine, and David P. Farrington. (In Press). The interaction of biopsychological and socio-environmental influences on criminological outcomes. *Justice Quarterly*.

Kelsay, James D.*, Ian A. Silver, and J.C. Barnes. (In Press). The effects of gun ownership and gun carrying on delinquency, violence, arrest, and victimization. *Violence & Victims*.

Pickett, Justin T., J.C. Barnes, Theodore Wilson, and Sean P. Roche. (In Press). Prospect theory and criminal choice: Experiments testing framing, reference dependence, and decision weights. *Justice Quarterly*.

Tanksley, Peter T.*, J.C. Barnes, Brian B. Boutwell, Louise Arseneault, Avshalom Caspi, Andrea Danese, Helen L. Fisher, and Terrie E. Moffitt. (In Press). Identifying psychological pathways to polyvictimization: Evidence from a longitudinal cohort study of twins from the UK. *Journal of Experimental Criminology*.

Barnes, J.C., Michael F. TenEyck, Travis C. Pratt, and Francis T. Cullen. (2020). How powerful is the evidence in criminology? On whether we should fear a coming crisis of confidence. *Justice Quarterly* 37(3): 383-409.

Cochran, Joshua C., J.C. Barnes, Daniel P. Mears, and William D. Bales. (2020). Revisiting the effect of visitation on recidivism. *Justice Quarterly* 37(2): 304-31.

Motz, Ryan T.*, J.C. Barnes, Avshalom Caspi, Louise Arseneault, Francis T. Cullen, Renate Houts, Jasmin Wertz, and Terrie E. Moffitt. (2020). Does contact with the justice system deter or promote future delinquency? Results from a longitudinal study of British adolescent twins. *Criminology* 58(2): 307-35.

Grant Activity

Barnes, J.C., Cory Haberman, and Edward J. Latessa. (2020). A proposal to develop and assess active shooter virtual reality training for Ohio law enforcement. Submitted to the Ohio Department of Public Safety.

Haberman, Cory, M. Hunter Martaindale, Matt J. McAllister, Sarah M. Manchak, and J.C. Barnes. (2020). Virtual reality-based habituation training for active threat events. Submitted to the National Institute of Justice.

Haberman, Cory, Ming Tang, J.C. Barnes, and Jillian Desmond. (2020). Using virtual reality to assess the effectiveness of investigative checklists. Submitted to the National Institute of Justice.

Kumar, Manish, J.C. Barnes, William M. Dunaway, and Jessica Kropczynski. (2020). Situational awareness during fire, emergency, and rescue using emerging technologies (SAFTER-T). Submitted to the National Science Foundation.

Newsome, Jamie, J.C. Barnes, and Edward J. Latessa. (2019). What works and for whom in reentry: A randomized controlled trial, process evaluation, and cost-benefit analysis. Submitted to the National Institute of Justice.

Barnes, J.C., Cory P. Haberman, and Guo Freeman. (2018). Using virtual reality to understand criminal decision-making: A novel interdisciplinary approach. Funded by the Collaborative Research Advancement Grants Program at the University of Cincinnati.

Liu, Hexuan, J.C. Barnes, and Kathleen M. Harris. (2018). Socioeconomic consequences of early criminal justice involvement and genetic inheritance: Testing a life-course model using the Add Health data. Submitted to the Russell Sage Foundation.

Barnes, J.C., and Travis C. Pratt. (2017). Offending specialization and versatility among convicted drug offenders. Submitted to the National Science Foundation.

Barnes, J.C., and Paula H. Smith. (2017). Evaluation of Rite of Passage Success Journey Program. Submitted to the Office of Juvenile Justice and Delinquency Prevention.

Barnes, J.C., and Travis C. Pratt. (2016). Offending specialization and versatility among convicted drug offenders. Submitted to the National Institute of Justice.

Barnes, J.C., and Travis C. Pratt. (2016). Addressing the collateral consequences of incarceration for the children of incarcerated parents: A systematic review. Submitted to the Jacobs Foundation.

Bijleveld, C.C.J.H., J.C. Barnes, and M. Aaltonen (2016). Digging into delinquency: Using genetically informed research designs to eliminate familial confounding in life-course criminology. Submitted to the Trans-Atlantic Platform.

Barnes, J.C., and Travis C. Pratt. (2015). Offending specialization and versatility among convicted drug offenders. Submitted to the National Institute of Justice.

Barnes, J.C., Michael TenEyck*, and Timothy Nixon*. (2015). Discrimination, police abuse of power, and youth development. Funded by the University of Cincinnati Presidential Seed Grants.

TenEyck, Michael*, and J.C. Barnes. (2015). A test of Agnew's theory of social concern. Funded by the University of Cincinnati College of Education, Criminal Justice, and Human Services Graduate Student and Faculty Research Mentoring Grant.

Boutwell, Brian B., and J.C. Barnes. (2014). Exploring the influence of social and developmental outcomes on the emergence of self-control and behavior problems: Results from a sample of minority children in the United States. Submitted to the Hogg Foundation for Mental Health.

Barnes, J.C., and Francesca Filbey. (2013). Uncovering the neurological underpinnings to offender decision-making. Submitted to the National Institute of Justice.

Barnes, J.C., Francesca Filbey, Lynne Vieraitis, and Sarah Ewing. (2013). Uncovering the neurological underpinnings to offender decision-making. Submitted to the National Science Foundation.

Boutwell, Brian B., and J.C. Barnes. (2013). Exploring the influence of social and developmental outcomes on the emergence of self-control and behavior problems: Results from a sample of minority children in the United States. Submitted to the National Institute of Justice.

Barnes, J.C. (2011). The genetic underpinnings to antisocial behavior: Comparative evidence from a college and prison sample. Funded by The University of Texas at Dallas, EPPS Advisory Council Grant.

Presentations

Invited

Barnes, J.C. (2019). 21st century criminology: Using virtual reality and genomics to answer some classic questions. Presented to the Department of Criminal Justice at Indiana University in Bloomington, IN.

Barnes, J.C. (2017). Crimin-omics: How criminologists use genomics to study criminal behavior. Presented to the Department of Criminology and Criminal Justice at the University of Texas at Arlington in Arlington, TX.

Barnes, J.C. (2017). How *powerful* is the evidence in criminology? Should we fear a coming crisis of confidence? Presented to the Department of Sociology at the University of Colorado, Boulder in Boulder, CO.

Barnes, J.C. (2017). What makes offenders “tick”? Keynote Speaker for Hillcrest Academy Open House in Cincinnati, OH.

Barnes, J.C. (2016). Analyzing relative stability in developmental/life-course criminology. Presented at the Netherlands Institute for the Study of Crime and Law Enforcement (NSCR) in Amsterdam, The Netherlands.

Barnes, J.C. (2016). From genes to statistical power: Thoughts on the future of criminological research. Presented to the Complex Traits Genetics Lab at VU University Amsterdam in Amsterdam, The Netherlands.

Barnes, J.C. (2016). From genes to statistical power: Thoughts on the future of criminological research. Presented to the Department of Biological Psychology at VU University Amsterdam in Amsterdam, The Netherlands.

Barnes, J.C. (2016). From genes to statistical power: Thoughts on the future of criminological research. Presented at Georgia Southern University in Statesboro, GA.

Barnes, J.C. (2016). From genes to statistical power: Thoughts on the future of criminological research. Presented at the University of Cambridge in Cambridge, England.

Barnes, J.C. (2016). What can criminology tell us about criminal behavior? Breakout Session at the Home Office of England’s International Crime and Policing Conference in London, England.

Barnes, J.C. (2016). What can criminology tell us about criminal behavior? Masterclass Keynote Address to Honours Program at VU University Amsterdam in Amsterdam, The Netherlands.

Barnes, J.C. (2016). What can criminology tell us about criminal behavior? Presented to the Hamilton County Lead and Healthy Homes Collaborative in Cincinnati, OH.

Barnes, J.C. (2015). Criminologists are expendable: Why that’s good, bad, and how we can change it. Presented at St. Louis University in St. Louis, MO.

Barnes, J.C. (2015). The next generation of criminological research: Genes, brains, and behavior. Presented at the Mind Research Network in Albuquerque, NM.

Barnes, J.C. (2014). Skepticism for the modern criminologist. Presented at Texas Christian University in Fort Worth, TX.

Barnes, J.C. (2013). The genetic foundations to antisocial behavior. Presented at the BrainHealth Frontiers Lunch Lecture Series, The University of Texas at Dallas Center for BrainHealth in Dallas, TX.

Barnes, J.C., and J. Mitchell Miller. (2011). Estimating the effect of gang membership on nonviolent and violent delinquency: A counterfactual analysis. Presented at the annual meeting of the Office of Juvenile Justice and Delinquency Prevention in Washington, D.C.

Barnes, J.C. (2009). Analyzing the impact of a statewide residence restriction law on South Carolina sex offenders. Presented at the annual meeting of the National Institute of Justice in Arlington, VA.

Academic Conference

Barnes, J.C. (2019). Can genomic data add value to risk assessment? Presented at the annual meeting of the American Society of Criminology in San Francisco, CA.

Barnes, J.C. (2019). Introduction to sociogenomics. Presented at the annual meeting of the American Society of Criminology in San Francisco, CA.

Kail*, Rachel, Hexuan Liu, and J.C. Barnes. (2019). Polygenic risk for ADHD and exposure to school discipline. Presented at the annual meeting of the American Society of Criminology in San Francisco, CA.

Liu, Hexuan, Peter T. Tanksley*, Ryan Motz*, and J.C. Barnes. (2019). Incarceration risk, genetic inheritance, and depression over the life course. Presented at the annual meeting of the American Society of Criminology in San Francisco, CA.

Motz*, Ryan, J.C. Barnes, and Hexuan Liu. (2019). Predicting involvement with the justice system using five genome-wide polygenic scores across three cohorts. Presented at the annual meeting of the American Society of Criminology in San Francisco, CA.

Barnes, J.C., Peter T. Tanksley*, and Terrie E. Moffitt. (2019). Perceptions of punishment risk from adolescence to middle adulthood. Presented at the annual meeting of the American Society of Criminology in San Francisco, CA.

Silver, Jasmine R., Justin T. Pickett, J.C. Barnes, Stephanie Bontrager Ryon, and Dominique Roe-Sepowitz. (2019). Moral purity and perceived harm as constraints on sex buying among American men. Presented at the annual meeting of the American Society of Criminology in San Francisco, CA.

Barnes, J.C., Ryan Motz*, Peter Tanksley*, and Hexuan Liu. (2018). A sociogenomic analysis of the intergenerational transmission of educational attainment. Presented at the annual meeting of the American Society of Criminology in Atlanta, GA.

Kail*, Rachel, J.C. Barnes, and Cory P. Haberman. (2018). Assessing the impact of movement and gait on perceived vulnerability. Presented at the annual meeting of the American Society of Criminology in Atlanta, GA.

Liu, Hexuan, Peter Tanksley*, Ryan Motz*, and J.C. Barnes. (2018). Incarceration risk, genetic inheritance, and depression over the life course. Presented at the annual meeting of the American Society of Criminology in Atlanta, GA.

Motz*, Ryan, J.C. Barnes, and Hexuan Liu. (2018). Parental educational attainment moderates the association between a polygenic score for aggressive behavior and lifetime incarceration risk. Presented at the annual meeting of the American Society of Criminology in Atlanta, GA.

Nixon*, Timothy S., and J.C. Barnes. (2018). Calibrating student perceptions of punishment: A specific test of general deterrence. Presented at the annual meeting of the American Society of Criminology in Atlanta, GA.

Pickett, Justin T., J.C. Barnes, Theodore Wilson, Sean P. Roche. (2018). Prospect Theory and criminal choice: Experiments testing framing, reference dependence, and decision weights. Presented at the annual meeting of the American Society of Criminology in Atlanta, GA.

Rubenstein*, Batya, and J.C. Barnes. (2018). Big data in criminology. Presented at the annual meeting of the American Society of Criminology in Atlanta, GA.

Silver*, Ian A., Joseph L. Nedelec, and J.C. Barnes. (2018). Genetically adjusted propensity score matching: Closing the gap between non-experimental designs and true experiments in the social sciences. Presented at the annual meeting of the American Society of Criminology in Atlanta, GA.

Tanksley*, Peter, Ryan Motz*, Hexuan Liu, J.C. Barnes, Brian Boutwell, Terrie Moffitt, and Avshalom Caspi. (2018). Victimization and the effects of cognitive function: A discordant MZ-twin approach. Presented at the annual meeting of the American Society of Criminology in Atlanta, GA.

Tasharrofi*, Shahin, and J.C. Barnes. (2018). Developing an integrated machine learning algorithm for criminal justice practitioners: A superior method for resource allocation? Presented at the annual meeting of the American Society of Criminology in Atlanta, GA.

Barnes, J.C., Michael TenEyck, and Travis C. Pratt. (2017). How *powerful* is the evidence in criminology? On whether we should fear a coming crisis of confidence. Presented at the annual meeting of the American Society of Criminology in Philadelphia, PA.

Barbaro, Nicole, Brian B. Boutwell, J.C. Barnes, and Todd Shackelford. (2017). Genetic confounding of the relationship between father absence and age at menarche. Presented at the annual meeting of the American Society of Criminology in Philadelphia, PA.

Lee*, Heejin, J.C. Barnes, and Christopher J. Sullivan. (2017). Maturity of judgment and perceptual deterrence. Presented at the annual meeting of the American Society of Criminology in Philadelphia, PA.

Motz*, Ryan T., and J.C. Barnes. (2017). Racial inequalities in arrest: Can the school-to-prison pipeline inform policy? Presented at the annual meeting of the American Society of Criminology in Philadelphia, PA.

Motz*, Ryan T., Hexuan Liu, and J.C. Barnes. (2017). Genes, social environment, and lifetime involvement with the criminal justice system. Presented at the annual conference for Integrating Genetics and the Social Sciences in Boulder, CO.

Gibson, Chris, Kevin M. Beaver, Brian B. Boutwell, John P. Wright, and J.C. Barnes. (2016). A multi-level study of neighborhood intelligence and violence. Presented at the annual meeting of the American Society of Criminology in New Orleans, LA.

Meldrum, Ryan C., and J.C. Barnes. (2016). Unstructured socializing, delinquent behavior, and victimization: A genetically informed analysis of twin pairs. Presented at the annual meeting of the American Society of Criminology in New Orleans, LA.

Barnes, J.C. (2016). Estimating relative stability in developmental research: A critique of modern approaches and a novel method. Presented at the Developmental Methods Conference III in Whitefish, MT.

Barnes, J.C., Michael TenEyck*, Timothy S. Nixon*. (2016). Racial discrimination by police and youth development: Evidence from the Project on Human Development in Chicago Neighborhoods. Presented at The Mini-Conference on Policing and Race in Cincinnati, OH.

Barnes, J.C. (2015). Estimating the impact of genetic confounding when genetically sensitive data are unavailable: A new tool. Presented at the annual conference for Integrating Genetics and the Social Sciences in Boulder, CO.

Barnes, J.C. (2015). Exposure to pre- and perinatal risk factors partially explains mean differences in self-regulation between races. Paper presented at the annual meeting of the American Society of Criminology in Washington, D.C.

Barnes, J.C., and Brian B. Boutwell. (2015). The next generation of heritability research in criminology. Paper presented at the annual meeting of the American Society of Criminology in Washington, D.C.

Miller, J. Mitchell, Holly V. Miller, and J.C. Barnes. (2015). Opiate-involved offender reentry: The Delaware County (OH) Second Chance initiatives. Poster presented at the annual meeting of the Academy of Criminal Justice Sciences in Orlando, FL.

Nixon, Timothy*, Michael TenEyck*, and J.C. Barnes. (2015). Discrimination, police abuse of power, and youth development. Poster presented at the annual meeting of the American Society of Criminology in Washington, D.C.

Riddell, Jordan*, J.C. Barnes, and Nadine M. Connell. (2015). The proliferation of video games: Do sales and use impact delinquency? Paper presented at the annual meeting of the Academy of Criminal Justice Sciences in Orlando, FL.

TenEyck, Michael*, and J.C. Barnes. (2015). A preliminary test of the association between Agnew's social concern and criminal behavior: Results from a nationally representative sample of adults. Paper presented at the annual meeting of the American Society of Criminology in Washington, D.C.

Unnever, James D., J.C. Barnes, and Francis T. Cullen. (2015). Racial discrimination and pathways to delinquency: Testing a theory of African American offending. Paper presented at the annual meeting of the American Society of Criminology in Washington, D.C.

Barnes, J.C. (2014). The emergence of behavioral problems during the first decade of life: Post-genomic era considerations. Paper presented at the annual meeting of the American Society of Criminology in San Francisco, CA.

Barnes, J.C. (2014). Gang membership as a nonshared environmental influence. Paper presented at the annual meeting of the American Society of Criminology in San Francisco, CA.

Boutwell, Brian B., and J.C. Barnes. (2014). Assumptions are like a**holes, every perspective has one. Paper presented at the annual meeting of the American Society of Criminology in San Francisco, CA.

Lewis, Richard H., Brian B. Boutwell, J.C. Barnes, and Kevin M. Beaver. (2014). Further illuminating the genetic scaffolding of victimization and offending. Paper presented at the annual meeting of the American

Society of Criminology in San Francisco, CA.

Petkovsek, Melissa A., Brian B. Boutwell, J.C. Barnes, and Kevin M. Beaver. (2014). Re-examining the soft-drink-behavior problem relationship. Paper presented at the annual meeting of the American Society of Criminology in San Francisco, CA.

Miller, J. Mitchell, Holly V. Miller, J.C. Barnes, and Christopher J. Schreck. (2014). Translational criminology through researcher-practitioner partnership: Insights from the Delaware, OH 2nd Chance Act initiatives. Paper presented at the annual meeting of the Southern Criminal Justice Association in Clearwater Beach, FL.

Barnes, J.C., Michael TenEyck*, Cody Jorgensen*, and Daniel Pacheco*. (2013). The emerging patterns of problem behavior in early childhood: A genetically sensitive latent class analysis. Paper presented at the annual meeting of the American Society of Criminology in Atlanta, GA.

Boutwell, Brian B., J.C. Barnes, Raelynn Deaton, and Kevin M. Beaver. (2013). On the evolutionary origins of life-course-persistent offending: A theoretical scaffold for Moffitt's developmental taxonomy. Paper presented at the annual meeting of the American Society of Criminology in Atlanta, GA.

Lewis, Richard, Brian B. Boutwell, Kevin M. Beaver, and J.C. Barnes. (2013). Eye of the beholder: An evolutionary study concerning the role of attractiveness in criminal justice processing. Paper presented at the annual meeting of the American Society of Criminology in Atlanta, GA.

Weir, Henriikka, J.C. Barnes, and Robert G. Morris. (2013). The role of genetic and environmental factors in substance abuse and delinquency. Paper presented at the annual meeting of the American Society of Criminology in Atlanta, GA.

Miller, J. Mitchell, Holly V. Miller, and J.C. Barnes. (2013). Infusing qualitative research methods in justice program evaluations. Paper presented at the annual meeting of the Academy of Criminal Justice Sciences in Dallas, TX.

Pacheco, Daniel*, and J.C. Barnes. (2013). Gestation and childhood conduct problems. Paper presented at the annual meeting of the Academy of Criminal Justice Sciences in Dallas, TX.

Pacheco, Daniel*, and J.C. Barnes. (2013). An examination of gestational age and later conduct problems in children. Poster presented at the annual meeting of the Association for Psychological Science in Washington, D.C.

Barnes, J.C. (2012). Analyzing the origins of life-course-persistent offending: The role of self-control as an endophenotype. Paper presented at the annual meeting of the American Society of Criminology in Chicago, IL.

Boutwell, Brian B., J.C. Barnes, John P. Wright, and Kevin M. Beaver. (2012). Race differences in intelligence, family adversity, and externalizing problems in a nationally representative sample of children. Paper presented at the annual meeting of the American Society of Criminology in Chicago, IL.

Lu, Yi-Fen, Brian B. Boutwell, Kevin M. Beaver, and J.C. Barnes. (2012). The origins of self-control and antisocial behavior: The role of intelligence and heritability. Paper presented at the annual meeting of the American Society of Criminology in Chicago, IL.

Miller, J. Mitchell, Holly V. Miller, and J.C. Barnes. (2012). Youth mentoring for juvenile justice system-involved youth: An exploratory analysis of the referral stage. Paper presented at the annual meeting of the American Society of Criminology in Chicago, IL.

Petkovsek, Melissa A., Brian B. Boutwell, David C. Pyrooz, and J.C. Barnes. (2012). Gang membership, life-course persistent, and adolescent-limited offending: A test of alternative hypotheses. Paper presented at the annual meeting of the American Society of Criminology in Chicago, IL.

Young, Jacob T.N., Cesar J. Rebellon, J.C. Barnes, and Frank Weerman. (2012). Unpacking the black box of “how peers matter” using the integrative model of interpersonal influence. Paper presented at the annual meeting of the American Society of Criminology in Chicago, IL.

Miller, J. Mitchell, J.C. Barnes, and Holly V. Miller. (2012). Mentoring for juvenile justice involved youth: An assessment of the link between mentoring program structure and success rates. Paper presented at the annual meeting of the Southern Criminal Justice Association in Atlantic Beach, FL.

Orrick, Erin A.*, and J.C. Barnes. (2012). You can run, but you can't hide: An examination of prison escapee risk factors. Poster presented at the annual meeting of the Academy of Criminal Justice Sciences in New York, NY.

Barnes, J.C. (2011). On the relationship of past to future involvement in crime and delinquency: A behavioral genetic analysis. Paper presented at the annual meeting of the American Society of Criminology in Washington, D.C.

Boutwell, Brian B., J.C. Barnes, Kevin M. Beaver, and Chris Gibson. (2011). Corporal punishment and externalizing problem behaviors in children: Evidence of a child-driven effect. Paper presented at the annual meeting of the American Society of Criminology in Washington, D.C.

Kovandzic, Tomislav V., J.C. Barnes, and Lynne Vieraitis. (2011). Reassessing the mean-IQ and crime rate relationship. Paper presented at the annual meeting of the American Society of Criminology in Washington, D.C.

Orrick, Erin A.*, Robert Morris, J.C. Barnes, and John L. Worrall. (2011). Estimating unobserved heterogeneity in recidivism: A survival (Cox) mixture modeling approach. Paper presented at the annual meeting of the American Society of Criminology in Washington, D.C.

Petkovsek, Melissa A., Brian B. Boutwell, J.C. Barnes, and Kevin M. Beaver. (2011). Prenatal smoking and genetic risk: Examining the childhood origins of life-course persistent offending. Paper presented at the annual meeting of the American Society of Criminology in Washington, D.C.

Barnes, J.C., and Kevin M. Beaver. (2011). The marriage effect revisited: A behavioral genetic analysis of a key life-course transition. Paper presented at the annual meeting of the Academy of Criminal Justice Sciences in Toronto, Canada.

Barnes, J.C., Kevin M. Beaver, and Alex R. Piquero. (2011). A test of Moffitt's hypotheses of delinquency abstention. Paper presented at the annual meeting of the Academy of Criminal Justice Sciences

in Toronto, Canada.

Els, Nicole R.*, and J.C. Barnes. (2011). If I grow up: Strain and the relationship between aspirations and delinquency. Paper presented at the annual meeting of the Academy of Criminal Justice Sciences in Toronto, Canada.

Barnes, J.C., and Kevin M. Beaver. (2010). Examining the genetic underpinnings to Moffitt's developmental taxonomy: A behavioral genetic analysis. Paper presented at the annual meeting of the American Society of Criminology in San Francisco, CA.

Kleck, Gary, and J.C. Barnes. (2010). Article productivity among the faculty of criminology and criminal justice doctoral programs, 2005-2009. Paper presented at the annual meeting of the American Society of Criminology in San Francisco, CA.

Barnes, J.C., and Kevin M. Beaver. (2009). The mutual unfolding of self-regulation and externalizing behavioral problems: A biosocial analysis. Paper presented at the annual meeting of the American Society of Criminology in Philadelphia, PA.

Kleck, Gary, and J.C. Barnes. (2009). Do more police generate more crime deterrence? Paper presented at the annual meeting of the American Society of Criminology in Philadelphia, PA.

Barnes, J.C., and Kevin M. Beaver. (2008). An empirical examination of adolescence-limited offending: A direct test of Moffitt's maturity gap thesis. Paper presented at the annual meeting of the American Society of Criminology in St. Louis, MO.

Barnes, J.C., and Holly V. Miller. (2008). If your friends jumped off a bridge, would you?: Differential association, peer influence, and delinquency. Paper presented at the annual meeting of the American Society of Criminology in St. Louis, MO.

Kleck, Gary, and J.C. Barnes. (2008). Deterrence and macro-level perceptions of punishment risks: Is there a "collective wisdom?" Paper presented at the annual meeting of the American Society of Criminology in St. Louis, MO.

Barnes, J.C., J. Mitchell Miller, and Holly V. Miller. (2007). An examination of demeanor and juvenile drug court admission. Paper presented at the annual meeting of the American Society of Criminology in Atlanta, GA.

Barnes, J.C., J. Mitchell Miller, and Holly V. Miller. (2007). An examination of juvenile drug court admissions decisions: Analyzing the implications of demeanor source. Paper presented at the annual meeting of the Southern Criminal Justice Association in Savannah, GA.

Kurlychek, Megan, and J.C. Barnes. (2007). Performance enhancing drug use: Assessing motives, correlations and outcomes. Paper presented at the annual meeting of the American Society of Criminology in Atlanta, GA.

Miller, J. Mitchell, Christopher J. Schreck, Holly E. Ventura, and J.C. Barnes. (2006). Labeling, interaction, and crime control: An examination of factors influencing drug court admittance. Paper presented at the annual meeting of the Midwestern Criminal Justice Association in Chicago, IL.

Honors and Recognition

Top 5 Most Productive & Most Cited Criminologist (Journal of Criminal Justice Education), 2017

Outside committee member, dissertation in Complex Traits Genetics, VU Amsterdam, 2017

Outside committee member, dissertation in Developmental Psychology, University of Texas at Dallas, 2017

Op-ed, *The Boston Globe*, 2016

Op-ed, *Nautilus*, 2016

Top 25 Most Productive Criminologist (Scientometrics), 2015

Top 10 Most Productive Assistant Professor (Journal of Criminal Justice Education), 2012

EPPS Outstanding Teaching Comet Award, University of Texas at Dallas, 2012-2013 (winner) and 2013-2014 (honorable mention)

Certificate of Appreciation, awarded at the annual meeting of the Office of Juvenile Justice and Delinquency Prevention, 2011

SAGE Junior Faculty Professional Development Teaching Award, awarded at the annual meeting of the Academy of Criminal Justice Sciences, 2011

Graduate Student of the Year, Southern Criminal Justice Association, 2008

1st Place, Juvenile Justice Section Student Paper Competition, Academy of Criminal Justice Sciences, 2007

2nd Place, Alpha Phi Sigma Student Paper Competition, awarded at the annual meeting of the Academy of Criminal Justice Sciences, 2007

1st Place, Alpha Phi Sigma National Graduate Student Scholarship Competition, awarded at the annual meeting of the Academy of Criminal Justice Sciences, 2006

Distinguished High Honors on the Comprehensive Examination, Department of Criminology & Criminal Justice, University of South Carolina, 2006
